Explanation of changes and other important information

We changed your net federal supplement payments from \$0 to \$2,001 to agree with the amounts Service Canada reported.

We allowed you \$2,001.00 as the other payments deduction. We may have also changed any related income to agree with information we have on file. For more information, see the explanation for line 250 in the *General Income Tax and Benefit Guide*.

As of the date of this notice, you have unused net capital losses from other years of \$8,611. You can use your unused net capital losses to reduce taxable capital gains that you report this year. If you apply this amount to another year, you may have to recalculate your unused balance. This is because of the different capital gains rates for those years. For more information, see Guide T4037, *Capital Gains*.
